Mission of Baylor University

The mission of Baylor University is to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community.

Chartered in 1845 by the Republic of Texas and affiliated with the Baptist General Convention of Texas, Baylor is both the state's oldest institution of higher learning and the world's largest Baptist university. Established to be a servant of the church and of society, Baylor seeks to fulfill its calling through excellence in teaching and research, in scholarship and publication, and in service to the community, both local and global. The vision of its founders and the ongoing commitment of generations of students and scholars are reflected in the motto inscribed on the Baylor seal: *Pro Ecclesia, Pro Texana* – For Church, For Texas.

Pro Ecclesia. Baylor is founded on the belief that God's nature is made known through both revealed and discovered truth. Thus, the University derives its understanding of God, humanity, and nature from many sources: the person and work of Jesus Christ, the biblical record, and Christian history and tradition, as well as scholarly and artistic endeavors. In its service to the church, Baylor's pursuit of knowledge is strengthened by the conviction that truth has its ultimate source in God and by a Baptist heritage that champions religious liberty and freedom of conscience. Without imposing religious conformity, Baylor expects the members of its community to support its mission. Affirming the value of intellectually informed faith and religiously informed education, the University seeks to provide an environment that fosters spiritual maturity, strength of character, and moral virtue.

Pro Texana. Integral to its commitment to God and to the church is Baylor's commitment to society. Whereas that society in the mid 1800s was limited to Texas, today Baylor's sphere of influence is indeed the world. The University remains dedicated to the traditional responsibilities of higher education – dissemination of knowledge, transmission of culture, search for new knowledge, and application of knowledge – while recognizing the global proportions these responsibilities have assumed. Moreover, within the context of an ethnically and culturally diverse community, Baylor strives to develop responsible citizens, educated leaders, dedicated scholars, and skilled professionals who are sensitive to the needs of a pluralistic society. To those ends, Baylor provides expanded opportunities for civic education and for church and community service at home and abroad.

Pro Ecclesia, Pro Texana. Baylor University is committed to excellence at the undergraduate, graduate, and professional levels. Within the undergraduate programs, the University seeks to familiarize students with the principal bodies of knowledge, cultural viewpoints, belief systems, and aesthetic perspectives that affect the world in which they live. Within the graduate and the professional programs, the University provides advanced educational opportunities to develop ethical and capable scholars and practitioners who contribute to their academic disciplines, professional fields, and society. Baylor encourages all of its students to cultivate their capacity to think critically, to assess information from a Christian perspective, to arrive at informed and reasoned conclusions, and to become lifelong learners. Beyond the intellectual life, the University pursues the social, physical, ethical, and spiritual development of each student.

Aware of its responsibility as the largest Baptist educational institution in the world and as a member of the international community of higher learning, Baylor promotes exemplary teaching, encourages innovative and original research, and supports professional excellence in various specialized disciplines. Advancing the frontiers of knowledge while cultivating a Christian world view, Baylor holds fast to its original commitment – to build a university that is *Pro Ecclesia, Pro Texana*.

Mission Statement of Truett Seminary

As a professional school of Baylor University, George W. Truett Theological Seminary subscribes to the university's mission statement "to educate men and women for worldwide leadership and service by integrating academic excellence and Christian commitment within a caring community."

The seminary's purpose is to provide theological education leading to the Master of Divinity, the Doctor of Ministry or the Master of Theological Studies degree that is centered in the gospel of Jesus Christ and consistent with historic Baptist commitments to prepare persons to carry this gospel to the churches and the world.

We are committed to holistic student development by equipping students through theological and biblical reflection, spiritual formation, lifelong learning, ministry service, and cross-cultural sensitivity. Truett Seminary provides educational opportunities for students to gain competency for ministry in Christian scriptures and theology, evangelism and global missions, leadership and administration, nurture and cure of souls, and proclamation and worship.

History of Truett Seminary

“There is one thing I know about George Truett, wherever he speaks, the people do what he asks.”

The words of Rev. R.F. Jenkins, pastor of the First Baptist Church of Whitewright, Texas, accurately characterized the lifestyle of a young man who would eventually serve as pastor of the largest Baptist church in the world and whose name would become a household name among Christians who believed in and espoused personal religious liberty and the separation of church and state.

Shortly after enrolling at Baylor in 1893, Truett was called to become the pastor of the East Waco Baptist Church. The church was the answer to the financial assistance that Truett sought, and he remained with the church during his four years at Baylor. East Waco was the first of only two congregations which Truett would lead, for shortly after graduating from Baylor in 1897, he was called as minister of the First Baptist Church of Dallas. It was from this pulpit that he fulfilled God’s plan for his life until his death nearly five decades later.

The words of Rev. Jenkins about the young George Washington Truett were truly prophetic, for throughout his 50-year ministry, people clamored to hear him preach and did their best to follow his suggestions and emulate his example of Christian living. Though rewarded during his lifetime with many accolades and named to numerous responsible positions, including the presidency of the Southern Baptist Convention and the Baptist World Alliance, George Truett never sought to be anything other than God’s messenger doing God’s will, as God directed.

The words “thou good and faithful servant” surely rang in Truett’s ears as he fell on that last sleep on July 7, 1944.

On July 24, 1990, the Board of Trustees officially reserved with the Secretary of State of Texas the name “George W. Truett Theological Seminary,” in the event the Board decided sometime in the future to create a seminary. On March 25, 1991, the George W. Truett Theological Seminary was chartered and a fifteen-member Board of Trustees was named by the University’s Board of Regents to investigate the feasibility of operating a seminary. (On September 21, 1990, the University Trustees had changed Baylor’s charter in order to have greater freedom in the selection of the University’s governing board. By this action the University Trustees became Regents.)

An organizational meeting of the Seminary Trustees was held on July 18, 1991, at which time officers were elected and a statement of purpose was developed. A joint meeting of the Seminary Trustees and the Board of Regents was held on January 17, 1992, and further investigation and discussion was authorized. On May 21, 1993, the Board of Regents approved the opening of the George W. Truett Theological Seminary with the beginning of the 1994-95 academic year.

At the same meeting the Regents voted to accept the gracious offer of First Baptist Church, Waco, to house the Seminary on the second floor of the church’s B.H. Carroll Education Building for the first years of its operation. Space was designated for the exclusive use of Truett Seminary for administrative and faculty offices. Classrooms and other areas were specified for the joint use of the Seminary and First Baptist Church. Reminiscent of earlier years of theological education at Baylor, when classes for ministers were held by Rev. B.H. Carroll, then pastor of First Baptist Church, in his study, Truett Seminary opened offices in the Carroll Education Building on August 1, 1993. Faculty offices were added in July 1994.

The opening convocation service was held on August 28, 1994, with 51 students registered. The Truett Seminary inaugural class graduated from Baylor University in May 1997.

Facilities and Activities

The Baugh-Reynolds Campus

George W. Truett Theological Seminary is housed in a 64,000-square-foot facility on the Baugh-Reynolds Campus, adjacent to the northern edge of the Baylor campus. Powell Chapel, and the Paul and Katy Piper Great Hall as well as administrative and faculty offices. Spring 2002 marked the beginning of classes for students at Truett Seminary's Baugh-Reynolds Campus.

Baylor University

Baylor University, founded by Texas Baptist pioneers, was chartered in 1845 by the Republic of Texas. Located on the banks of the Brazos River, the University campus encompasses more than 700 acres and more than 100 buildings. As an integral part of Baylor University, Truett Seminary students and faculty have access to an exciting range of facilities and activities.

Library and Computing Resources

Reorganized in 2002 as the 21st Century Library, the Baylor library system connects people with ideas in support of teaching, learning, scholarship and academic distinction. The central libraries, special libraries and resource centers of Baylor house more than 2.1 million bound volumes, 1.9 million microforms and thousands of electronic resources, audiovisual items, maps, charts and photographs. BearCat, the University's electronic online catalog, allows easy access to Baylor library materials.

The central libraries include Moody Memorial Library and Jesse H. Jones Library. Moody Library is home to the largest of the University's general access computing facilities, as well as the Prichard Family Information Commons and Starbucks.

The special libraries include Armstrong Browning Library, The Texas Collection, Baylor Collections of Political Materials and the Sheridan and John Eddie Williams Legal Research and Technology Center. The resource centers include the J.M. Dawson Church-State Research Center, the Learning Resource Center in the School of Education and the Learning Resources Center at the Louise Herrington School of Nursing in Dallas.

One hundred laptop computers are available for checkout by faculty, staff and students. Baylor's wireless data network, AirBear, is available throughout the majority of the campus. With AirBear, faculty, staff and students can connect their laptop computers to the Internet from almost any location on campus, unencumbered by a physical network connection.

Other Facilities, Activities, and Services

The University environment provides rich cultural opportunities through the Baylor School of Music, the Theatre and Art departments, and various museums, including the Jeanes Discovery Center within the Mayborn Museum Complex. In addition, Truett students enjoy the benefits of special lecture series, the McLane Student Life Center, health and wellness services, recreational activities, and the intercollegiate athletic competition of the Big 12 Conference. Admissions – Master of Divinity, Master of Theological Studies, and Master of Arts in Christian Ministry

General Requirements

Admission to the George W. Truett Theological Seminary is by formal application. Truett Seminary complies with all applicable federal and state nondiscrimination laws and does not engage in prohibited discrimination on the basis of race, color, nationality or ethnic origin, sex, age or disability.

Applicants must have a bachelor’s degree from an accredited institution in the United States or proof of equivalent training at a foreign university. Although several factors constitute the total profile for admission (application materials, GPA, evidence of Christian commitment, and interviews), as a general rule a minimum grade point average of 2.7 overall and 3.0 in the major is required. The admissions committee may admit applicants on a provisional status. For entrance into the masters’ programs only undergraduate grades or post baccalaureate (not graduate) grades are calculated to provide the GPA. Final approval for admission is given by the Dean of the Seminary.

An undergraduate student currently enrolled at Baylor University who, at the beginning of the final baccalaureate semester, lacks no more than ten semester hours of degree course work may, upon admission to the seminary, register for M.Div., M.T.S., or M.A.C.M. coursework subject to the following conditions: 1) all coursework for the bachelor’s degree must be completed during that semester; 2) total registration for the semester must not exceed fifteen semester hours; and 3) the student’s overall grade point must satisfy the minimum 3.0.

Students applying for the joint or dual degrees also must apply to the School of Social Work or the Graduate School and complete all appropriate requirements toward admission to that program.

Upon acceptance, students will receive a letter of admission into the M.Div., M.T.S., or M.C.A.M. program and an Acceptance Reply Card. Students are required to submit a completed form and remit a nonrefundable enrollment deposit of \$300, payable to Baylor University and mailed to Truett Seminary. When enrollment is completed, that fee will be placed toward tuition and fees. If enrollment is not completed by 12th class day, the fee will be forfeited.

Deadlines for all completed applications, including references, to be received at Truett are as follows:

Summer entrance	April 1
Fall entrance	May 1
Spring entrance	November 1

Applications received after the deadlines will be placed on inactive status until the *applicant notifies* the Student Services Office concerning his/her anticipated initial semester.

Information regarding admission to the Doctor of Ministry degree program is located on page 76 of this catalog.

Seminary tuition and fee rates are applicable to students solely within a seminary degree program or within seminary dual or joint programs (MDV/MSW, MTS/MSW, MDV/MM). If a student is concurrently enrolled within two degree programs at Baylor University involving a seminary degree program and an undergraduate or graduate degree program then that student’s primary status is designated as undergraduate or graduate and tuition and fee rates specific to undergraduate or graduate status will be charged across all coursework. For example, if a student is within their final semester of an undergraduate program at Baylor University and is admitted to seminary and takes a seminary course, undergraduate tuition and fees will be charged across all coursework to include the seminary course for that particular semester. Additionally, if the student were eligible to receive a seminary scholarship, that award would be restricted to seminary coursework and the seminary tuition rate. Once the student’s undergraduate degree is conferred and their primary status becomes seminary, seminary tuition and fee rates would then be applicable.

Requirements for International Students

International candidates for admission should attain a minimum of 550 (paper-based), 213 (computer-based) or 80 (Internet-based) on the Test of English as a Foreign Language (TOEFL).

International applicants must obtain the assistance of an international official in monetary matters to confirm in writing that the applicant is capable of sustaining financial security during the U.S. period

of study. The U.S. Immigration and Naturalization Service will NOT approve off-campus employment of international students during the student's first year in the U.S.

When all of the preceding requirements have been received and satisfied, and after the applicant has been accepted by the seminary, an I-20 or IAP-66 form will be mailed to the student so that an F-1 (student) visa classification can be obtained from the admitted student's nearest U.S. Embassy or Consulate. After admission, Baylor University will require that the international seminary student and dependents obtain medical insurance.

Student Responsibility

It is the student's responsibility to become informed of and to observe all regulations and procedures for degree completion required by Truett Seminary. This includes strict attention to all internal deadlines, such as application, degree completion, registration, and graduation as well as satisfying all requirements leading to degree completion.

Truett Tuition Assistance

Affordability is central to Truett's mission. Numerous donors and Baptist organizations partner with Truett Seminary to financially commit to helping students achieve their goals of a top-notch seminary education.

Truett Scholarships are approved and awarded to an applicant following admission (accepted and deposit submitted), based on the scholarship program and requirements for given degree that academic year. This basis remains in effect throughout the program (93 attempted hours) for students who remain in good standing and meet appropriate requirements within the Truett scholarship. Requirements provide that 1) all students file a Ministerial Vocation Update and 2) Baptist students file an annual church certification renewal form by March 1 prior to the upcoming academic year. This date is also a benchmark for all incoming summer and fall students to file their initial Church Certification form from their home church as it allows for all financial processes to be completed before bills are processed and due. As a reminder: the Administrative Committee of Truett Seminary reserves the right at any time to review, reduce, increase, or rescind student scholarships given by Baylor University, the Baptist General Convention of Texas, the Cooperative Baptist Fellowship or any endowed scholarship given for the benefit of Baylor University or Truett Seminary. There may be occasions whereby students receiving endowed funds will be expected to correspond with donors.

Students are notified of attempted hours as they progress and complete their degree program. The Office of Scholarship Services at Truett Seminary is responsible for ensuring that appropriate scholarships cease at the 93-hour benchmark, including transfer hours. The exceptions to this benchmark are students who have been granted prior administrative approval or who have received correspondence from the Director of Student Services regarding special scholarships. In order to be aware of their scholarship status benchmarks, all students should confirm attempted, transferred, and earned hours from online resources following receipt of grades each semester.

Baptist Church Matching Gift Program

Baylor University will match designated gifts for Baylor students from Baptist churches, State Baptist Conventions, or other Baptist affiliated programs up to \$1,000 per academic year, per student. Scholarship assistance is available only for the fall and spring semesters. No such scholarship assistance is available in the summer. Baptist Church Matching Scholarship awards are made on a dollar-for-dollar basis not to exceed \$1,000 in an academic year. Full-time undergraduate, graduate, seminary, or law students are eligible to participate in this program.

Duly authorized Baptist church leaders must certify statements and remit a signed form located at www.baylor.edu.finaid for each check in order to request matching funds on behalf of the recipient. Funds cannot be matched until this statement is properly completed and accompanies each check received by Baylor University. Completed forms and accompanying checks should be mailed to

Cashier's Office
Baylor University
One Bear Place #97048
Waco, TX 76798-7048

If students or church leaders have any questions about completing the form, please contact the Office of Academic Scholarships and Financial Aid at Financial_Aid@baylor.edu or 1-800-BAYLOR-U, option 8-2, or 254-710-2611.

Financial Assistance

All Truett students may apply for financial assistance on a need basis. This assistance is composed primarily of student loans. In order to be considered for need-based financial assistance, applicants are encouraged to file the FAFSA as soon as possible after January 1, using the prior year's income information. Visit FAFSA online at www.fafsa.ed.gov, using information from the prior year's income tax return and Baylor's school code of 003545.

Baptist General Convention of Texas Ministerial Financial Assistance Program

All Baptist students attending Truett Seminary are eligible for financial assistance from the BGCT. Below is a detailed description of the Ministerial Financial Assistance Program.

Truett Seminary Policy and Procedures Regarding BGCT Ministerial Financial Assistance

A prospective student to Truett Seminary must submit a Church Certification Form upon initial application to receive financial assistance from the BGCT in his or her first year.

In order to receive consideration for continued assistance in the Ministerial Financial Assistance Program, it is necessary for Baptist students to submit a completed Church Certification Renewal Form by March 1st to the Office of Student Services at Truett Seminary. Upon approval, this form will allow a student to receive MFA assistance for the upcoming academic year. Forms are mailed to enrolled students and are also available on the Truett website. Failure to submit the Church Certification Renewal Form within the deadline will constitute a forfeiture of assistance. Renewal forms received after the deadline will be considered for subsequent semesters within the remainder of the appropriate academic year.

Baptist students classified as International Students are encouraged to submit a Church Certification Renewal Form; however, failure to do so will not affect their scholarship.

Seminary tuition and fee rates are applicable to students solely within a seminary degree program or within seminary dual or joint programs (MDV/MSW, MTS/MSW, MDV/MM). If a student is concurrently enrolled within two degree programs at Baylor University involving a seminary degree program and an undergraduate or graduate degree program then that student's primary status is designated as undergraduate or graduate and tuition and fee rates specific to undergraduate or graduate status will be charged across all coursework. For example, if a student is within their final semester of an undergraduate program at Baylor University and is admitted to seminary and takes a seminary course, undergraduate tuition and fees will be charged across all coursework to include the seminary course for that particular semester. Additionally, if the student were eligible to receive a seminary scholarship, that award would be restricted to seminary coursework and the seminary tuition rate. Once the student's undergraduate degree is conferred and the seminary degree becomes their primary degree, seminary tuition and fee rates would then be applicable.

Registration and Enrollment

New or Reentering Students

All new students must receive advisement for course scheduling prior to registration. New students must schedule an appointment for academic advisement in the Office of Student Services. New and reentering students register online. All first-year students will register for the courses and sections designated by the Seminary, except upon special approval of the student's advisor.

Returning Students

Students in their second semester and beyond will be assigned to a faculty advisor. Students may complete registration during the early registration period prior to the beginning of the next semester. Registration information is located on Baylor's homepage at www.baylor.edu under "Current Students," then "Registration," then "Registering for Classes."

Financial Settlement

Invoices will be mailed to preregistered students, and each student is responsible for the timely completion of his or her financial settlement.

Financial settlement is not complete until the student contacts the Cashier's Office to confirm his or her registration or confirm his or her attendance online and acceptable payment arrangements are made. Schedules of students failing to do so will be cancelled.

Enrollment Classifications

Degree Seeking (both full and provisional acceptance): Any student admitted to Truett for the pursuit of a Seminary degree.

Non-Degree Seeking (Special, Transient, Audit, or For-Credit, not degree-seeking): Any individual who has applied to Truett Seminary (as evidenced by the receipt of a completed official application form, application fee, and transcripts), but who has not yet satisfied all admission requirements. Approval can be extended to register for up to, but not more than, 12 Seminary credit hours. No exceptions can be made to the conditions of "Special." If, at the completion of 12 Seminary credit hours, all of the requirements for admission have not been satisfied, the individual will not be allowed to register for additional classes.

Courses in the University

Any student who takes courses in the University and who is not in an approved concentration or dual or joint degree program must have an advisement slip signed by the Associate Dean for Academic Affairs.

Course Audit Policy

Regular or special students enrolled in the Seminary, graduates of other accredited seminaries, or Baylor University students may audit courses in the Seminary curriculum (on a space-available basis) with the permission of the instructor and the Office of the Associate Dean for Academic Affairs. However, courses to be taken for credit by degree-seeking students may not be taken on an audit basis. Classroom participation requirements will be determined by the instructor. The fee for auditing a course will be \$241. Prospective students may observe classes on terms arranged by the Office of Student Services in consultation with the instructor.

Commencement Services

The Seminary has a commencement service each May, August, and December for students graduating during the year. In anticipation of participation in the commencement services, students should file for graduation in Truett Office #224 by December 1 prior to the year in which the degree is expected to be conferred. Students should also file their anticipated semester and year of graduation in the Lifelong Learning (LLL) online program (see page 43). Ample time must be allowed for the processing of diplomas. Students who file late will not be guaranteed a diploma at Commencement.

All M.Div., M.T.S., and M.C.A.M. students should purchase their caps and gowns from the Baylor Bookstore. D.Min. students should contact the Baylor Graduate School concerning rental or purchase of gown, hood, and tam.

Financial Information

The expenses of educating Baylor University students are controlled as much as possible while responding to demands for effective operations, consideration for the general welfare of students, and continued support of the quality of the educational experience.

Most seminary students receive scholarship assistance. Students may be awarded need-based scholarships by applying to the Baylor Office of Academic Scholarships and Financial Aid. In addition, students may apply for scholarships, loans and the Federal Work-Study Program.

Due to continually increasing operating costs, Baylor University reserves the right to change tuition, fees, deposits, and room and board rates without notice to prospective students.

Payment of Accounts

A student's registration for a semester is not finalized (financially settled) until all expenses are paid or acceptable payment arrangements are made and the student has confirmed his/her intent to attend for the term billed.

Several weeks prior to the beginning of a semester, students who have registered for classes will receive an email at their Baylor email address with a link to view that semester's bill. A bill notification will also be emailed to any Authorized Users which the student has designated in the E-Bill system (www.baylor.edu/ebill). Payments can be made online from the E-bill site by electronic check drawn on a checking or savings, or credit card. Credit card payments are accepted online only. A convenience fee equal to 2.75 percent of the payment amount (\$3 minimum) will be charged by the third-party payment processor for all online credit card payments. Accepted credit cards are MasterCard, Discover and American Express.

In addition to making the required payment, the student must confirm attendance in BearWeb indicating that he/she will be attending Baylor for the semester billed. **Attendance must be confirmed even if the student account has zero or credit balance.** Payment and confirmation of attendance must be completed by the due date indicated on the bill. A late payment fee will be charged if payment sufficient to complete financial settlement has not been received by the due date. A student who does not complete financial settlement by the cancellation deadline will have his/her classes cancelled. The financial obligation must be satisfied before the student will be allowed to re-register, move into housing, or attend classes. **Re-registration will be charged the late payment fee and the re-registration fee.** For additional information about financial settlement, visit www.baylor.edu/sfs/settlement.

Students who register during the early registration process will receive both a paper bill and an electronic bill. Late registrants will receive only an electric bill due to time constraints. If mailing a payment, fill out the top portion of the bill and return it to the Cashier's Office with the indicated payment. Payments must be **received** by the due date on the bill to avoid a late payment fee (allow 7 to 10 days for mail delivery).

In lieu of full payment, Baylor University offers an installment plan for financial settlement. This plan divides the financial obligation for a semester into five payments (summer divided into two payments) to help Baylor students and their parents manage the costs of education. It is available to undergraduate and graduate students, part-time and full-time. There is a \$60 per semester non-refundable fee for participation in the plan (summer installment fee is \$24). Students who do not pay in full are automatically enrolled in the installment plan. The minimum amount due listed on the semester bill is the first installment payment and must be received by the due date. Monthly billing notifications are sent electronically to the student's Baylor email address and to the email addresses of any Authorized Users designated by the student in the E-Bill system. Monthly billing statements are available online only and will not be sent by mail. Monthly payments are due at the end of the month in which the bill is made available.

A student registering for the first time in the semester after the financial settlement due date (posted in Bear Web) should either pay in full or make the first installment payment online or in the Cashier's Office **the day after the student registers**. A late payment fee will be charged if payment sufficient to complete financial settlement has not been received by the due date indicated on the E-Bill. Students registering on or after the first class day of a semester will be charged a late registration fee.

Baylor offers a guaranteed option to undergraduate and graduate students. By selecting this option, a student is able to lock in the same tuition rate for four years. The guaranteed tuition option eliminates uncertainty about future tuition increases, allowing students and parents to accurately prepare their educational budgets for four years. More information on this option may be obtained online or from the Baylor Cashier's Office.

Students who are recipients of scholarships from religious institutions, foundations, corporations, individuals, or other organizations outside the University should complete one Outside Scholarship Report Form for each outside scholarship and submit to the Cashier's Office so that the award can be reflected in the student's financial aid award package. Organizations should send scholarship checks to the Cashier's Office, One Bear Place #97048, Waco, TX 76798-7048.

If you have questions about tuition, fees, or financial settlement that are not covered here, visit the Student Financial Services website at www.baylor.edu/sfs or contact the Cashier's Office at Cashiers_Office@baylor.edu or (254) 710-2311.

FINANCIAL AID PRIORITY DATES

Students must complete the Free Application for Federal Student Aid (FAFSA -www.fafsa.gov) by the following dates to receive priority and ensure the availability of funding by the time payment is due.

To receive priority for funding (some programs are limited):

Fall and spring semesters	March 1
Spring semester only	October 1

To ensure availability of funding (and receive credit toward bill):

Fall and spring semesters	May 1
Spring semester only	November 1

Seminary tuition and fee rates are applicable to students solely within a seminary degree program or within seminary dual or joint programs (MDV/MSW, MTS/MSW, MDV/MM). If a student is concurrently enrolled within two degree programs at Baylor University involving a seminary degree program and an undergraduate or graduate degree program then that student's primary status is designated as undergraduate or graduate and tuition and fee rates specific to undergraduate or graduate status will be changed across all coursework. For example, if a student is within their final semester of an undergraduate program at Baylor University and is admitted to seminary and takes a seminary course, undergraduate tuition and fees will be charged across all coursework to include the seminary course for that particular semester. Additionally, if the student were eligible to receive seminary scholarship, that award would be restricted to seminary coursework and the seminary tuition rate. Once the student's undergraduate degree is conferred and their primary status becomes seminary, seminary tuition and fee rates would then be applicable.

FINANCIAL OBLIGATIONS

Students are individually responsible for their financial obligations to Baylor University. Charges to the student account are payable when due. Upon graduation or withdrawal, unpaid student account balances are subject to referral to a collection agency and disclosure to credit bureaus.

CANCELLATIONS

A student's cancellation occurs when a student decides not to attend classes for a semester prior to the first class day for that semester. (A student's schedule cannot be cancelled on or after the first day of the semester.) Cancellations and related refund requests must be made in writing, addressed to the Cashier's Office, One Bear Place #97048, Waco, TX 76798-7048 or by email to

Cashiers_Office@baylor.edu, and received **prior to the first class day** for the semester. For cancellations, all tuition, fees, and meal plans will be refunded at 100 percent. If a student has been given an on-campus housing, assignment, Campus Living & Learning, One Bear Place #97076, Waco, TX 76798-7076 must receive a separate written notification. Cancelled courses do not appear on the academic transcript.

WITHDRAWALS

Beginning the first class day of a semester, students who are financially settled must contact the Paul L. Foster Success Center (PLFSC) in order to withdraw from the University. This department can be reached by emailing Success_Center@baylor.edu or calling (254) 710-8212. Additional contact information is available online at www.baylor.edu/successcenter/.

Under no circumstances does notification to professors or dropping classes constitute an official withdrawal from the University.

The official withdrawal date is established by the student's contact with the Paul L. Foster Success Center. If the student fails to contact the PLFSC and simply stops attending, then tuition, fees, meal plans and other applicable charges will not be adjusted on the student's account. Financial aid credits, however, may be reversed as required by federal regulations.

Refunds of tuition, fees, or other charges are applied to any outstanding balance owed to the University. Any credit balance remaining after all processing is complete will be mailed to the student at his/her home address on file in BearWeb.

Refunds of tuition and required fees (General Student Fee, Chapel Fee, Laboratory/Course Fees, Administrative Fee and Applied Music Fee) are based on the official withdrawal date and are prorated on a per diem scale based on the total number of calendar days in that payment period. **There are no refunds for withdrawals occurring after 60 percent of the payment period has lapsed.** A payment period is defined as the total number of calendar days in the semester (from the published first class day through the published last day of finals) excluding the five calendar day Thanksgiving break and the nine calendar day spring break. To obtain a calendar schedule of refund percentages, please visit the Student Financial Services website at www.baylor.edu/sfs or contact the Cashier's Office at Cashiers_Office@baylor.edu or (254) 710-2311. Unless specifically noted, other fees are considered non-refundable.

Meal plan refunds are calculated *pro rata* based on the official withdrawal date. An administrative charge equal to one week of the meal charge for the student's respective meal plan will be assessed.

Financial aid recipients are not eligible for a refund until all of the financial aid programs are reimbursed in accordance with federal, state, and University requirements. To obtain information about the return of financial aid funds, contact the Student Financial Aid Office at Financial_Aid@baylor.edu or (254) 710-2611. Additional contact information is available online at www.baylor.edu/sfs.

Dropping a **class** or classes is not considered a withdrawal. The term “withdrawal” refers to dropping all classes after financial settlement through the PLFSC and leaving the University for that semester. Beginning the first class day of each semester, students will not be able to drop their complete class schedule online.

Examples of refund calculations are available in the Cashier’s Office or on the Cashier’s Office website at www.baylor.edu/sfs.

DROPPING CLASSES BY STUDENT

Students have the option to drop a class prior to or during a semester. Refunds for dropped classes will be processed according to the following refund schedule.

Prior to the end of the 5th class day.....	100%
Prior to the end of the 10th class day.....	75%
Prior to the end of the 15th class day.....	50%
Prior to the end of the 20th class day.....	25%
After the end of the 20th class day.....	none

To determine how a refund is calculated, multiply the number of hours the student will drop by the applicable percentage rate above based on the day of the drop. This will determine the number of hours to subtract from the number of enrolled hours. The student is financially liable for the remaining enrolled hours plus the determined percentage of dropped hours. For example, if a student enrolled in 14 hours drops a 3 hour course prior to the 15th class day, multiply the 3 dropped hours by 50% (1.5 hours), subtract the 1.5 hours for the dropped course from the original 14 hours, and the student is left with 12.5 billable hours. Since the student retains 12 or more billable hours, the student would continue to be subject to the flat rate tuition.

There would be no refund adjustment for a student charged the flat rate tuition unless the student’s billable hours are reduced below 12 as the result of a dropped course. Beginning on the 8th class day, for fall/spring (3rd class day for summer), a change of course fee will be assessed for all schedule changes. An attempt to drop all scheduled classes for a semester is considered a withdrawal and students must follow the guidelines for a withdrawal addressed above.

Changes in the number of enrolled hours can affect financial aid eligibility. Contact the Financial Aid Office for information about how dropping a course would affect your financial aid award package.

APPEALS

Students who believe that they have individual circumstances warranting an exception to published refund policies may appeal the application of the policy. To appeal based on these circumstances, the student should contact the Paul L. Foster Success Center, One Bear Place #97021, Waco, TX 76798-7021, (254) 710-8212, for withdrawal appeals or the Dean’s Office having oversight of the class for add/drop appeals.

DROPPING AN AUDITED COURSE

Students who drop an audited course by the fifth (5th) class day (fall/spring) are eligible for a full refund. No refund for an audited course is given after the fifth (5th) class day. Full refunds also apply to students who drop an audited course by the third (3rd) class day for the full summer session, by the second (2nd) class day for summer I and II, and by the first (1st) class day for the minimester. No refunds are given after the designated drop date.

RIGHT TO WITHHOLD TRANSCRIPTS AND/OR BLOCK REGISTRATION

Baylor University may withhold the issuance of a transcript record and/or block the registration of any current or prior student if the student has certain outstanding obligations to the University. The student obligations may be financial or non-financial. Financial obligations include: Public Safety traffic fines, Health Center charges, student loan accounts, tuition and fees, or any other financial obligation owed by the student to the University. Non-financial obligations include the University requirements of a student imposed by published written policy or other written requirements including, but not limited to, incomplete processing under the Student Disciplinary or Honor Code Procedures. Release of the

transcript and/or a registration block will be authorized only after a financial obligation to the University is paid in full, or satisfactory arrangements are made to comply with other obligations.

Grade Reports

End of semester grades will be available through BearWeb. Students who wish to receive a printed copy of their grades must complete a written request for grades to be mailed, which may be completed in person in the Office of Academic Records or by faxing a written request with the student's written signature to 254-710-2233. A request for a written copy of grades must be completed each term.

Academic Regulations

Course Load

Most master's seminary students will typically enroll for a full-time course load. A student taking a course load of nine semester hours is considered a full-time seminary student. Students intending to take in excess of 18 hours during the fall or spring semesters or 12 hours during the summer semester must seek approval from the Office of the Dean or their faculty advisor.

Students are urged to consider the demands of the rigorous graduate theological education program of Truett Seminary when planning academic schedules combined with off-campus employment and ministry obligations. Students who are serving in vocational ministry positions, working full-time, or commuting for more than one hour should consult with their faculty advisor when selecting courses.

Course Numbering System

Baylor course numbers consist of an alpha prefix followed by a four-digit course number. The level is specified by the first digit; "7" indicates a seminary course. The second digit specifies the number of semester hours of credit assigned to the course. The letter "V" is used as the second digit for courses that may be taken for a varying amount of credit.

Attendance Policy

Students are required to attend all classes in the student's schedule. Under no circumstances will credit be given for courses in which the student is absent more than the maximum number of allowable absences for the class. Unless a smaller number of classes is designated by the professor, the "maximum number of allowable absences" shall be 25 percent of the total number of class meetings. A student having absences for more than the maximum number of allowable absences will receive an "F" (or a "DF" if the student drops the course prior to the last date to drop a course).

Excessive tardiness will be dealt with by the individual professor.

Grading System

The method and manner of evaluation at the seminary is left to the discretion of the course instructor as outlined in the course syllabus. A student may take an examination at a time other than the scheduled time only under extenuating circumstances and with permission from the instructor. The following criteria are used at Truett Seminary in assigning letter grades:

Grade	Grade Points per Sem. Hr.	Numerical Equivalent
A	4	95-100
A-	3.75	90-94
B+	3.25	87-89
B	3	84-86
B-	2.75	80-83
C+	2.25	77-79
C	2	70-76
D	1	60-69
F	0	Below 60

- I Incomplete; usually because of excused absence from the final examination or permission for extension of time to submit a report or term paper. The "I" must be removed by the last day of class the next semester (summer terms included); if the course is not completed by this time, the "I" will automatically be changed to the grade of "F." Once an "I" changes to an "F," the "F"

becomes the permanent grade. An "I" is not included in hours earned or grade point average until it expires or becomes a grade.

- IP Used for courses in which the specified time for completing an incomplete has expired but for which the instructor has submitted an extension of time request.
- DP Dropped a course in satisfactory status.
- DF Dropped a course in failing status, equivalent to "F"
- WP Withdrew from a course in satisfactory status.
- WF Withdrew from a course in failing status, equivalent to "F."
- P Pass; used for courses graded on a pass-fail basis. If a grade of "A", "B", or "C" is earned, the grade will be recorded as "P." Semester hours are earned, but no grade points.
- FA Fail; used for courses graded on a pass-fail basis. If a grade of "D" or "F" is earned, the grade will be recorded as "FA." This does not count in the grade point average.
- CR Satisfactory completion of courses graded on a credit/non-credit basis; semester hours are earned, where appropriate, but no grade points.
- NC Unsatisfactory completion of courses graded on a credit/non-credit basis; neither semester hours nor grade points are earned.
- AU No academic credit earned; for courses registered on an audit basis.

Course Repetition

Courses taken at Truett Seminary for which the grade earned is an "F" must be repeated at Truett and must be repeated prior to taking any course for which the first course is a prerequisite. The course cannot be repeated at another seminary for transfer to Baylor or for use as degree credit. Although all occurrences of a student's course work will appear on the academic transcript, the grade received the last time the course is taken is the only grade that is calculated in the cumulative grade point average. Grade point status can be modified only by work done in residence at Baylor.

Courses in which the grade earned is a "D" may be repeated in an effort to raise the student's cumulative grade point average to a 2.000, the minimum required to graduate. Any classes repeated will move a student beyond the benchmark of 93 attempted hours and could adversely affect a student's financial aid.

Courses taken at Baylor for which the grade is "B" cannot be repeated.

Transcripts

To obtain an official academic transcript, students must make a written request with the Office of Academic Records for the University, which is located in Robinson Tower.

Transfer Credit

Up to 30 semester hours of transfer credit may apply toward the M.Div. and MCAM degrees. Grades earned on transfer hours are not included in the calculation of a student's grade point average. Only courses taken at accredited institutions are transferable, but the courses must have been taken within the past six years. No grade lower than a "B" or its equivalent will be transferred from another institution.

Not more than half of the credits required for another graduate degree can be transferred. Decisions about transfer hours and the corresponding credit with the seminary curriculum will be made through the Office of the Dean.

Courses taken in residence at Baylor University's Truett Seminary may not be repeated at another institution for degree credit. Also, students who are on academic suspension are not eligible to take courses elsewhere for transfer to the seminary.

Truett Seminary adheres to The Association of Theological Schools' standards on Advanced Standing.

Advanced Standing

Students may be granted advanced standing *without credit* and be exempted from the introductory courses if they have been religion majors in college and have already covered the introductory material. They will need to submit a petition during their first semester at Truett to the Associate Dean requesting this advanced standing and must substitute other courses (electives) for these required hours to complete their degree.

Students may be granted advanced standing with credit for the introductory courses, reducing the number of required hours to complete the degree, if they pass the appropriate written exam that demonstrates their knowledge, competency, and skills in that area of study. Baylor University charges a fee for the administration and grading of each exam for credit.

Students who have proficiency in Greek and/or Hebrew may skip the introductory courses in Greek and/or Hebrew, but must pass a three-hour course in Greek Readings and/or Hebrew Readings with at least a "B" to reduce hours to complete their degree.

Academic Probation/Dismissal

Probation and Academic Failure Policy

Probation

A student encounters probation in two ways.

First, he/she may be admitted under probation (provisional acceptance) because of the following factors:

1. The student does not hold a bachelor's degree from an accredited university.
2. The student's undergraduate GPA was under the standard 2.7 recommended for admission to Truett.
3. The student is an international student living in the United States who has not yet taken the TOEFL exam because of special circumstances.

To remove the academic probation upon acceptance and receive full admission status, a student must produce a 2.00 GPA during the first semester (9 hours minimum). Part-time status must be approved by the Associate Dean.

Second, a student is considered failing and will automatically be placed on academic probation if his or her cumulative GPA drops below 2.00.

Academic Failure

If a student has two consecutive semesters whereby his or her cumulative GPA is below 2.00, that student is considered as failing and will not be allowed to register for further class work at Truett.

Procedures of Probation and Failure

A student will be notified upon acceptance concerning whether he or she is accepted on probation. It will be up to the student to secure clearance by initiating a meeting within the Office of Student Services after the 9 hour compliance minimum to apply for full admission.

A student who fails to maintain a minimum grade point average will be notified: after a semester of below minimum work, the student will be notified by mail concerning this change in his/her status. An appointment with the Associate Dean for Academic Affairs will be scheduled at the initiative of the student. If the student continues to fall below a minimum grade point average after the subsequent semester, the student will be notified by mail and will no longer be allowed to register for classes. It will be the student's responsibility to arrange for a hearing with the Dean of the seminary to appeal for reinstatement.

Reasonable Progress

Each student must make reasonable progress toward satisfying the requirements for graduation. To remain in good standing, a student must maintain a cumulative grade point average of 2.00 or higher.

Sequence of Courses

Students should seek recommendations from their academic advisor concerning the suggested sequence of all courses including the academic concentration and biblical language courses. If a student does not complete degree requirements within six years, the student then comes under the current catalog, which may entail changes in the requirements to graduate.

General University Policies

Academic Appeals

The function of the University Academic Appeals Committee is to hear student complaints of unfair treatment by members of the faculty. Details of the student grievance procedure are described online in the Student Policies and Procedures.

Honor Code

The Student Honor Code of the seminary is administered by the Honor Council. A student accused of an honor code violation is entitled to a procedure in accordance with the Honor Code rules. The Honor Code is found online in the Student Policies and Procedures.

Student Records

The provisions of the “Family Educational Rights and Privacy Act of 1979 (FERPA)” are designed to protect the privacy of educational records and to establish the rights of students to review their educational records. Further information on FERPA and its implementation at Baylor University may be found online in the Student Policies and Procedures.

Student Responsibility

Occasionally, policies and specific rules related to the administration of the Seminary, such as registration, changing courses, or graduation requirements, will be posted on the bulletin boards in the seminary facility and all students are charged with notice of them.

General Expectations of Baylor Students

Baylor University is controlled by a predominantly Baptist board of regents, operated within the Christian-oriented aims and ideals of Baptists, and affiliated with the Baptist General Convention of Texas, a cooperative association of autonomous Texas Baptist churches. It is expected that each Baylor student will conduct himself or herself in accordance with Christian principles as commonly perceived by Texas Baptists. Personal misconduct either on or off the campus by anyone connected with Baylor detracts from the Christian witness Baylor strives to present to the world and hinders full accomplishment of the mission of the University.

While attending Baylor, a student is expected to obey the laws of the United States, the State of Texas, and municipalities, or, if studying abroad, the laws of other countries. A student is also expected to obey the rules, regulations, and policies established by Baylor University. “Attending” is defined as all persons taking courses at the University, either full-time or part-time, pursuing undergraduate, graduate, or professional studies. Persons who are not officially enrolled for a particular term but who have a continuing relationship with the University or who have been notified of their acceptance for admission are considered to be “attending” the University.

It is the responsibility of the student to become familiar with the Baylor University Student Disciplinary Procedure. The Division of Student Life attempts to ensure that the procedure is communicated to all students through various means. However, the student is responsible to the University for his or her conduct that violates University policies. Moreover, should a student witness a violation of University policies on the part of other students, it is his or her responsibility to report it to the appropriate University official.

Change of Address

It is frequently a matter of great importance to students for University officials to be able to locate them quickly. For this reason, students are asked to file a notice of change of student local or student home address with the Office of Academic Records promptly, and not later than ten days thereafter in any case. Address changes may be made in person on the third floor of Robinson Tower or may be sent via e-mail to AcademicRecords_Office@baylor.edu. Additionally, address changes for student local or student home addresses may be made through BearWeb. Failure to receive University notices because of an incorrect address provided by the student will not relieve the student of responsibility for responding to the notice.

Campus Safety

Baylor considers personal safety on campus a top priority. Residence halls enforce a locked door policy and residents are asked to swipe their student IDs at main entrances to show residential status and gain access to their building.

The Baylor Department of Public Safety provides additional 24-hour security with car and bike patrols and works in close alliance with the Waco Police Department to create a safe environment for the university community. Seventy-five emergency call boxes are located on campus with direct access

to BDPS, which has a staff of 35, including 23 commissioned police officers.

Safety and Security Education Officers are on duty between the hours of 11:00 p.m. and 7:00 a.m. These Campus Living & Learning staff members move freely in and around specific zones of residence halls where they interact and build relationships with students, confront and report unacceptable behavior, check that all exit doors are secure, and alert Baylor police about suspicious behavior.

Baylor's Crime Prevention and Security Report is provided annually to all students and is available at <http://www.baylor.edu/DPS>.

Truett Ethical Conduct Policies

As part of its mission and its academic program, Truett Seminary is entitled to prescribe appropriate standards of conduct in addition to, and independent of, those prescribed by the University. Accordingly, Seminary students are expected to conduct themselves in an ethical and moral manner becoming of a minister as that role has been historically understood within Baptist tradition.

The Seminary reserves the right to place a student on probation from the Seminary, to suspend or expel a student from the Seminary, to withhold a degree from the student, or to take other action appropriate for the Seminary (including the revocation of denominational tuition funding or scholarships), if the conduct of the student prevents, or will prevent, acceptable representation of Truett Seminary in light of the standards of Baptist tradition, Truett Seminary or Baylor University.

Seminary students, as students enrolled in Baylor University, are subject also to general University regulations, including, but not limited to, the Student Disciplinary Policy, Honor Code, Academic Probation, Policy for Information Systems Usage, Home Web Page Policies, Electronic Mail List Policies, Policy Statement on Alcohol or Other Drugs, Policy on Sexual Misconduct, and the Policy on Sexual Harassment. No student may be admitted to or retained in the Seminary who is excluded for disciplinary or other reasons from the University.

General Information

1. Truett Seminary is a Christian institution whose primary purpose is to train men and women for ministry and theological education.
2. Students who have given evidence of a divine call, have been certified by a local church to prepare for the Christian ministry, and seek entrance into this institution shall conduct themselves in a manner deemed by the seminary as conduct becoming of a Baptist minister as it has been historically understood. Non-Baptist students are held to this level of conduct as well.
3. Students who commit any form of academic misconduct, which includes but is not limited to, plagiarism or cheating, will be subject to the Baylor University Honor Code. Incidents will be reported to the Office of Academic Integrity and students will be sanctioned in accordance with the Honor Code. The process for student appeal is outlined in the Honor Code.
4. The Seminary may take disciplinary action as it deems necessary should the standard of personal and ethical conduct be violated. Violation of this standard shall include, but is not limited to:
 - a. Academic misconduct including, but not limited to, plagiarism or cheating;
 - b. Public or private alcohol intoxication;
 - c. Use of illegal drugs;
 - d. Abuse of any drugs;
 - e. Heterosexual misconduct or homosexual behavior;
 - f. Sexual harassment;
 - g. Involvement with pornography;
 - h. Giving false statements to the seminary orally or in writing including, but not limited to, one's application for admission or registration or altering records;
 - i. Financial malfeasance;
 - j. Fighting; abusive or vulgar language;
 - k. Theft of seminary or personal property;
 - l. Violation of seminary academic regulations and policies; and
 - m. Disrespect toward a Seminary or University employee.
5. Students involved in a civil infraction are accountable to civil authorities but may also be subject to discipline by the Seminary.

Organization

1. Students who have violated the ethical conduct code listed above, or who have committed any act that is not congruent with their calling as a minister will have to appear before the Seminary Ethical Conduct Committee.
2. The Seminary Ethical Conduct Committee, comprised of the Associate Dean of Academic Affairs, the Director of Student Services, two faculty representatives, and as ex officio, Baylor general counsel, shall administer this Seminary policy.
3. The Committee will exercise Christian concern in its dealings with students, and its actions will be intended to be occasions for learning, personal growth, and professional development. The welfare of the student, of the seminary community, and of the churches are its primary concerns (Gal. 6:1-2). The Committee, or any member thereof, shall provide written notice of the allegations, and of supporting information, to the student of a violation of the requirements of Ethical Conduct. The Committee shall provide the student an opportunity to be heard in person and in writing.
4. The Committee will decide if the student has demonstrated ethical misconduct that would indicate that the student is not prepared to serve in Christian ministry. If the Committee so finds, the Committee shall also determine an appropriate sanction. The Committee shall notify the student in writing of the results.

Ethical Conduct Disciplinary Action

Actions of the committee include, but are not limited to:

1. Reprimand and disciplinary probation;
2. Temporary suspension with time and terms of re-admission indicated;
3. Indefinite suspension with time and terms of re-admission not indicated;
4. Removal of scholarship assistance;
5. Permanent dismissal; and
6. Any of the above may be noted on the student's transcript and may be removed at the discretion of the committee.

Review

A student may seek a review of the decision of the Ethical Conduct Committee through the office of the Dean of the Seminary. It will be the Dean's decision to overturn or support the decision of the committee. Upon a review of the decision of the Ethical Conduct Committee, the Dean will render a final decision from which there will be no further review or appeal.

Style Guide for Seminary Community

In preparing papers, reviews, and other written materials, students are required to follow the style guide developed by the Society of Biblical Literature (P.H. Alexander, et al., eds., *The SBL Handbook of Style*, Peabody, MA; Hendrickson, 1999). Students may access a truncated version on-line at http://www.sbl-site.org/assets/pdfs/SBLHS_SS92804_Revised_ed.pdf. This style guide provides the necessary information related to formatting a paper and also provides helpful examples for proper citation of various sources.

Plagiarism and Academic Dishonesty

According to the Seminary catalog, all Seminary students, as students enrolled in Baylor University, are subject also to general University regulations, including the Honor Code. Plagiarism is listed among the potential academic violations in the Honor Code. Baylor University has defined plagiarism as

“incorporating into one's work offered for course credit passages taken either word for word or in substance from a work of another, unless the student credits the original author and identifies the original author's work with quotation marks, footnotes, or another appropriate written explanation.”

Students may claim that they did not *mean* to plagiarize or that it was unintentional. Intent, however, cannot be judged in such matters. If you submit a document that plagiarizes another source, then you have committed plagiarism. It is the responsibility of the student to check and recheck sources to insure that proper citations have been included. If in doubt, consult with your professor about proper procedure.

All students must submit papers, exams, and other written materials to “Turnitin.com.” This computer

source will scan your document and determine if there is evidence of plagiarism. This search engine will also provide a citation of the source from which you have taken the text in question. Please be advised of the following statement:

“Students agree that by taking this course, all required papers, exams, class projects or other assignments submitted for credit may be submitted to turnitin.com or similar third parties to review and evaluate for originality and intellectual integrity. A description of the services, terms and conditions of use, and privacy policy of turnitin.com is available on its web site: <http://www.turnitin.com>. Students understand all work submitted to turnitin.com will be added to its database of papers. Students further understand that if the results of such a review support an allegation of academic dishonesty, the course work in question as well as any supporting materials will be submitted to the Honor Council for investigation and further action.”

Consequences of Plagiarism:

Students who have submitted plagiarized work will face the following consequences:

1. The student will be penalized in accordance with the Baylor University Honor Code. Possible sanctions include, but are not limited to, failure/grade penalty on the assignment, rewriting the assignment, failure/grade penalty on the test, and failure/grade penalty in the course.

The professor is required to report all forms of academic misconduct to the Office of Academic Integrity. All matters of academic dishonesty, including student appeal, will be handled according to the University's Honor Code.

2. If a student commits plagiarism a second time, then according to the Baylor University Honor Code, the Office of Academic Integrity will refer the student's file to the Honor Council. The Honor Council will consider additional sanctions for repeat violations. Possible sanctions include, but are not limited to probation, suspension, and expulsion.

Policy on Access and Learning Accommodation

Any student who needs learning accommodation should inform the professor immediately at the beginning of the semester. The student is responsible for obtaining appropriate documentation and information regarding needed accommodations from the Baylor University Office of Access and Learning Accommodation (OALA) and providing it to the professor early in the semester. The OALA phone number is (254) 710-3605 and the office is in the Speight Plaza Parking Garage.

Master's Degrees

Purpose of the Master of Divinity Degree

The Master of Divinity degree at Truett Seminary intends to provide graduate theological education that is centered in the gospel of Jesus Christ and consistent with historic Baptist commitments to prepare persons to carry this gospel to the churches and the world.

Program Vision

The M.Div. program seeks to achieve holistic student development by equipping students through theological biblical reflection, spiritual formation, lifelong learning, ministry service, and cross-cultural sensitivity. The curriculum is competency-based and thus strives to produce students who achieve competency in seven basic areas:

Preaching & Worship

Students will be able to plan, and lead in, thoughtful and well crafted worship of God and communicate God's Word in a clear and understandable manner informed by careful biblical exegesis and attentive to the contemporary context.

Christian Scriptures & Theology

Students will be able to draw and reflect upon Scripture and the classical and contemporary literature of the Church to articulate an informed Christian world view for life and ministry.

Leadership & Administration

Students will understand and demonstrate effective, Christian leadership skills for ministry.

Nurture & Cure Of Souls

Students will be able to nurture individuals using an integrated set of pastoral skills and spiritual disciplines.

Lifelong Learning

Students will participate in lifelong learning events outside of classroom responsibilities and will value lifelong learning as a means for discovering resources for ongoing ministry enhancement.

Spiritual Formation

Students will nurture personal and communal spiritual formation as a foundation for a life of ministry.

Evangelism & Global Missions

Students will think critically regarding the worldwide mission of the church, demonstrate skills for leading persons to faith in Jesus Christ through holistic ministries and verbal and lifestyle witness, and understand the need to catalyze congregations for local and international witness.

Four Components of the Master of Divinity Degree

1. Specified Courses

Completion of all required courses and semester hours as described in this catalog.

2. Lifelong Learning

Lifelong learning is the pre-graduation anticipation of what is often referred to as continuing education. The goal of the lifelong learning requirement is to prepare the student for the process of continual learning throughout a lifetime in ministry. Students must complete 200 units of lifelong learning before graduating. No curriculum credit is ascribed to these units, but the total number of required units must be completed as a prerequisite to earning the M.Div. degree. The student may accumulate lifelong learning credits by attending events listed in the LLL online program. LLL credits must be turned in during the semester in which the activity occurs or credit will not be given. The student who participates in a mission practica may receive 50 LLL credits for the approved mission activity. A maximum of 50 LLL credits will be given for mission work. No curriculum credit is ascribed to these units, but the total number of required units must be completed as a prerequisite to earning the M.Div. degree. Students should also file their anticipated semester and year of graduation in the LLL online program. For graduating students, LLLs must be entered by the Monday before final exams begin. It is each student's responsibility to enter online the LLL events and credits in the appropriate computer program.

3. Mentoring in Ministry

A. Purpose

Mentoring in ministry is an *apprenticeship* program whereby the student is assigned to a ministry setting for the purpose of receiving *hands-on* experience and guidance in the day-to-day functions of ministry. The goal of mentoring in ministry is to provide the student with an intensive ministry experience, under the tutelage and supervision of a trusted mentor, that will enable the student to become acquainted with the actual tasks and functions of ministry. The student is to participate in the mentoring program after the completion of 30 academic hours and before the completion of 83 hours (or a full semester prior to graduation).

B. Issues related to Academic Advisement

The preferred place for the student's mentoring in ministry is the local church or a missions setting, but institutional or denominational settings are acceptable in approved cases. (It is considered that whatever area the student will be involved in ministry after graduation from seminary, the local church or missions experience will be invaluable.) Students may enroll for either 6 hours or 9 hours in mentoring in a given semester.

C. Procedures

1. Students will complete MENT 7300, Introduction to Mentoring, at least one semester before entering their field experience in MENT 7V00. As part of MENT 7300, students will enlist a Mentor and a Professor of Record, prepare their mentoring syllabus, write their spiritual autobiography, complete their ministry context analysis, practice theological reflection, and engage in other assignments that will prepare them to get the most from the field experience. For those students in the M.Div./MSW program, see the Associate Dean for requirements.
2. At the conclusion of the field experience (MENT 7V00), the student will submit a Mentoring Portfolio to the Professor of Record which will follow the requirements outlined in the Mentoring Handbook and will be kept on record at the Seminary.
3. The final grade in mentoring for the field experience (MENT 7V00) will be given by the Professor of Record after consulting with the Mentor and grading all assignments as required in the Mentoring Handbook.

4. Covenant Groups

Truett students must complete six semesters of participation in a spiritual formation or covenant group before graduating. Groups will meet on a regular basis and will be given readings and assignments associated with issues of spiritual formation. The focus of these groups will be growth in self-discovery, the practice of spiritual disciplines, worship, and discussion, all for the purpose of cultivating the kind of character, integrity, relational skills, and spiritual resources requisite for life in Christian ministry.

Dual Degree Program

Master of Divinity/Master of Social Work

The Master of Divinity/Master of Social Work Program prepares students to provide leadership and service through congregations, religiously affiliated organizations, and faith communities. Church agencies, as well as family and children's agencies, gerontology programs, counseling centers, and community ministries in urban areas and international missions, need professional social workers. In addition, congregations often need the consultation and leadership in family and community ministry which social workers can provide. Many congregational leadership positions and often the chief executive officers of church-related agencies require an M.Div. or other graduate seminary degree as a qualification. This dual degree program, therefore, addresses this need for dual competency.

Admission

For admission to the dual degree program, candidates must apply and be accepted by both Truett Seminary's Master of Divinity program and the School of Social Work's Master of Social Work program.

Doctor of Ministry Degree Program

Purpose

The Doctor of Ministry degree is a distinctive, practical, seminar-based degree in a university setting designed to bring experienced ministers, Truett Seminary faculty, and recognized ministry authorities together in experiences of rigorous scholarship, courageous application, and innovative leadership to enhance the practice of ministry.

Primary Goals

The Doctor of Ministry degree program is designed to provide an atmosphere and curriculum that will build on the candidate's past and continuing experience in ministry by directing the candidate toward expanded and enhanced competencies in pastoral response and leadership as well as specific ministerial skills, by enhancing the candidate's ability to integrate life and ministry theologically, and by guiding the candidate in disciplined, continuing spiritual growth.

Admission

Admission to the Doctor of Ministry program requires an earned M.Div. or its educational equivalent from an accredited seminary or theological school. Applicants should have achieved at least a 3.0 cumulative grade point average on a 4.0 scale and have completed a minimum of three years of experience in full-time ministry since completion of the M.Div. or equivalent degree to the satisfaction of the Doctor of Ministry Committee.

Applicants must present results of the California Psychological Inventory.

Applicants must submit the following documents: (1) an "Entering Essay" will be based on an assigned case study to demonstrate the ability to write effectively and think theologically in context; (2) a "Personal Summary" consisting of time use habits, reading habits, theological understanding of ministry and appropriateness of vocational goals in relation to the doctoral program; and (3) a written account of a pastoral care counseling experience.

Applicants must present four letters of recommendation, including one from a former professor during M.Div. study, and a letter of endorsement from their current church.

Applicants must have a personal interview with the D.Min. Director and selected faculty. If the candidate is married, this interview shall include the spouse.

Transfer Policy

Transfer credit toward the Truett Seminary D.Min. degree will be considered on an individual basis. Only coursework completed in accredited doctoral programs will be considered. It must be comparable to that required of Truett D.Min. students in subject matter and in quality. A maximum of six hours directed study coursework and six hours of seminar or class work will be considered, and no more than 12 hours credit will be granted.

Student Responsibility

It is the student's responsibility to become informed of and to observe all regulations and procedures for degree completion required by Truett Seminary. This includes strict attention to all internal deadlines, such as application, degree completion, registration, and graduation as well as satisfying all requirements leading to degree completion.

Academic Regulations

Residency

Required on-campus residency at Baylor University for the D.Min. occurs in four special seminars over a two-year period (fall, spring, and summer). Two or more Truett faculty members will join recognized ministry experts to lead the two-week seminars. Students will also participate in an extensive program of individual guided study and involvement with peers in ministry. Doctor of Ministry students will have full access to the academic facilities and resources of Baylor University.

Academic Progress

Students must repeat any seminar in which they receive less than a “B” as their final grade. Students will be placed on Probationary Status until the seminar is completed with a satisfactory final grade. The student shall be allowed to repeat a seminar only once.

Qualifying Examinations

An oral qualifying examination will be given at the end of the final seminar while students are still on campus.

Upon completion of the Core Seminar Hours (with at least a 3.0 GPA in those seminars), each candidate will take the qualifying exam. The exam will be a response to an assigned written case study. The case study is designed to call upon all the student has experienced at this point in the D.Min. program in the manner of a “capstone” summary. “Qualifying” in this context means to show sufficient performance and promise to stay enrolled in the Doctor of Ministry degree program. The D.Min. Admissions Committee and/or the chair of the candidate’s Doctoral committee will administer the exam. Results of the exam will be recorded in writing with the D.Min. Program Director.

Doctoral Committees

Each D.Min. student will have a Doctoral Committee consisting of his/her faculty supervisor and field supervisor (see *Doctor of Ministry Handbook*).

Doctor of Ministry Academic Concentrations

Work on the candidate’s concentration and the core seminar hours will run concurrently.

Immediately upon admission confirmation, the candidate will begin to negotiate with his/her Doctoral Committee and the D.Min. Program Director a program of Individual Guided Study, which is learning tasks designed to facilitate achievement of the goals and requirements of the program. The program of Individual Guided Study represents an agreement between the candidate and Truett Seminary and is how the Concentration Hours requirement is to be met. It includes, but is not limited to: (1) commitment to reading an extensive selected bibliography and (2) activities such as continuing education seminars, academic courses at Truett Seminary, Baylor University, and/or elsewhere, and independent consultation with resource persons related to the particular concentration (see list below) of a candidate’s program. The program of Individual Guided Study will provide ways for the candidate to be accountable for his/her progress and will include submission of various written reports related to Guided Study activities.

All of the required Guided Studies activities are to be in the candidate’s one selected concentration.

1. Preaching and Biblical Exegesis
2. Spiritual Formation
3. Church and Culture
4. Church Leadership
5. Missions, Evangelism, and Church Planting
6. Baptist Identity
7. Worship

Please see the *Doctor of Ministry Handbook* for the guidelines that will ensure equity and consistency in reading requirements, learning activities, and grading in the program of Individual Guided Study across the various concentrations.

In summary, a satisfactorily completed Individual Guided Study Program will have produced three documents in a candidate’s permanent file: (1) a collection of seven peer-reviewed journal entries (one

per quarter beginning after the first workshop); (2) a collection of journal entry papers covering each book studied and event undertaken; and (3) an integrative theological paper judged satisfactory by the candidate's Doctoral Committee. Satisfactory completion of the Individual Guided Study Program and the Fourth Workshop marks entry into the Culminating Project phase of the D.Min. program.

Culminating Project

The culmination of the D.Min. program is the research for and written report of a major ministry project within the candidate's area of concentration. Required format and structure of the written report are described in the *Doctor of Ministry Handbook*. The candidate's doctoral committee supervises the project. All culminating projects are to exhibit a clearly articulated theological rationale and a connection to the context in which ministry occurs. Undertaking the culminating project requires (1) the recommendation by the candidate's doctoral committee including its endorsement of a submitted project proposal as well as (2) the approval of the project proposal by the Truett Seminary faculty.

Each candidate will undergo an oral defense of their culminating project written report. The Chair of the candidate's Doctoral Committee will notify the D.Min. Program Director that the written report is ready to be defended and will provide a copy of the report to the director at that time. The chair will then schedule a meeting of the candidate, the candidate's Doctoral Committee, and the chair of the D.Min. Admission Committee. This group will point out needed corrections and/or accept the report as sufficient and complete. The candidate will have two weeks to make any corrections and submit the report for binding.

Completion of the Doctor of Ministry Program

Progress through the stages of the program is to be regularly evaluated and monitored by the candidate's Doctoral Committee and the D.Min. Program Director. Additional working papers or projects may, from time to time, be required as the basis for evaluation. The student must have an overall grade point average of 3.0 in his/her D.Min. program in order to graduate. Completion of each phase of the program (Core Hours, Concentration Hours, and Culminating Project) is to be certified by the candidate's Doctoral Committee. The D.Min. degree program is designed to be completed not more than four years after the date of admission. The Culminating Project is to be completed within two years following approval of the Project Proposal. Any extension of these provisions will require the written and filed approval of the D.Min. Program Director, the D.Min. Committee, and the Truett Faculty. Each student is allowed six years from the date of first enrollment to complete program requirements. A student may apply for an extension of time, which must meet extension requirements and must be approved by the faculty.
