Our Truett Seminary building attendants will be happy to show you our facility as you make your wedding plans. Please keep in mind that weddings and receptions may only be scheduled 9 months in advance and can only take place on Saturdays with a Friday evening rehearsal.

Weddings are scheduled at Truett Seminary on a first-come, first-served basis. Dates are not confirmed until all documents have been signed and payment has been made.

We look forward to having your very special event in our building.
General Wedding Guidelines

For use of Paul W. Powell Chapel and/or Paul and Katy Piper Great Hall

Items to be checked (print out this page):

☐ Complete the online reservation form. Weddings may be scheduled up to 9 months in advance.

☐ Email conversations will acknowledge the availability of Truett Seminary’s facilities for the highest priority date requested that is available. A hold will be placed on the Truett Seminary calendar for your requested date. You will receive information about an appointment with a Truett building representative to walk through the facility and ask questions.

☐ Receive packet of information containing Truett’s Wedding Policies and Guidelines (Pages 2-3 of this document), a Wedding Questionnaire, and Truett’s building usage fees. This packet will be handed to you during your building walk-through or emailed to you if you will not be available for a building walk-through.

☐ Complete the requested information on the Wedding Policies and Guidelines document and the Wedding Questionnaire. Drop off the completed documents at the Truett Dean’s Suite or email them to Truett_Events@baylor.edu. Upon receipt of the completed documents, an invoice will be sent to you.

☐ Confirmation of your Truett facility reservation will not be complete until payment is received. Your payment must be received within fifteen (15) days of the invoice date or the initial request will be cancelled.

☐ When your wedding event has been confirmed, a Tenants’ and Users’ Liability Insurance Policy (TULIP) is required by Baylor University. The policy must cover the rehearsal and the ceremony dates and can be obtained online here. This policy will require a separate payment by you with a credit card. Proof of the policy must be received by Truett_Events@baylor.edu at least thirty (30) days prior to the event or the event will be cancelled.

☐ The use of Truett’s Audio/Visual equipment will require the presence of a Truett Event Technology Representative. All Audio/Visual requests must be submitted at least two weeks prior to the event date by completing the Event Technology Request Form. There is an additional charge for this service.

☐ Print out the appropriate Room Diagram (Paul W. Powell Chapel and/or The Paul and Katy Piper Great Hall) and draw the desired stage/room configuration. Wedding Policies and Guidelines

WEDDING POLICIES

1. Baylor is a private Christian university affiliated with the Baptist General Convention of Texas. Therefore, in keeping with biblical principles and Baylor policy, a wedding at Baylor must be between a man and a woman.

2. A wedding ceremony reservation includes the Saturday of the ceremony and the Friday evening prior for the wedding rehearsal. The chapel will be available for one (1) hour between the hours of 5:00-7:00 pm on Friday. It will be available for four (4) hours on the day of the wedding ceremony. A total of five (5) hours is allowed for the entire event. An additional fee of $200 will be charged for each hour or partial hour over the five (5) hour limit and must be arranged for in advance. All decorations and personal items must be set up and removed completely during the four hours allotted on the day of the wedding.

3. You have thirty (30) calendar days after payment is received to cancel your reservation and receive a full refund. Neither you nor Baylor University (each called a “Party” hereafter) will incur any liability to the other if its performance or use of the services is prevented, hindered, or delayed by causes beyond its reasonable control and without its fault or negligence. Causes beyond a Party's control may include, but are not limited to, acts of God, war, terrorist events, government authority, national or regional emergencies, manmade or natural disasters, extreme weather events, or epidemics and pandemics, or circumstances which make it impractical for either Party to perform their obligations during the pertinent dates. Upon invocation of this clause, payments previously made by one Party to the other will be refunded in full up to the amount of services received.

4. A Bride’s Room is available upon request. Other rooms may be made available for ceremony preparations.

5. A wedding reception reservation allows for availability to the Paul and Katy Piper Great Hall from 5:00-7:00 pm on Friday evening simultaneously with the wedding rehearsal time and for six (6) hours on Saturday, starting with the beginning allotted time in the chapel plus two additional hours following the chapel ending time. An additional fee of $200 will be charged for each hour or partial hour over the allotted time. All events must be completed no later than 10:00 pm.

6. A Rehearsal Dinner reservation allows for the use of the Great Hall for four hours to be completed by 10:00 pm.

7. Truett Seminary will notify the Baylor Police of the date and time of the wedding rehearsal, ceremony, and reception so that they are aware of the events taking place in the building. If the wedding party desires to have a representative from the Baylor Police department physically present in the building, that service is available for an additional charge per hour.

8. Please note that Truett has the right to schedule other events on the Friday evening of rehearsal if the event will not interfere with wedding activities in the chapel and/or the Great Hall. No weddings will be scheduled during university black-out dates.

Welcome to TULIP

TULIP is a Tenants' and Users' Liability Insurance Policy that provides special event liability coverage. All non-Baylor organizations/groups requesting use of Baylor facilities for events or contracting with a Baylor-sponsored organization are required to carry liability insurance and provide a Certificate of Insurance to University Compliance and Risk Services Department. It is event-specific and can also cover vendors, performers and exhibitors, if needed. It protects both the institution user (the third party) and the institution against claims by third parties who may be injured or experience damage to property as a result of participating in an event.

Events may range from low risk events such as classroom seminars, receptions, or weddings to high risk events including festivals and fairs, sports events, or concerts. The policy has exclusions for certain high-risk activities. Facility users may need to obtain coverage from another insurer if their event does not qualify for the TULIP program.

TULIP can only be purchased when the event takes place at a Baylor-owned facility or property. It does not extend to other properties. Minimum limits are subject to change based on the discretion of the Director of Risk Management.

How does it work?
The process is simple! Click on the Quick Quote Tab on the link below. The link will guide you through the process to purchase coverage via credit card. Your organization and Baylor will receive a certificate/binder of coverage via e-mail.

Excess Liability Coverage Available
In the event Baylor University requires excess liability coverage, it may be purchased through this program. The tenant user can increase limits of the primary policy in increments of $1,000,000 up to $5,000,000.

For all events, the institution will be named as Additional Insured.
